Ma about "Brother Howard," And

Alas! much sorrow is to be horne in quiettining a bity cent bottle will lest a year a Beautiful Complexion may be it, be ac this world. Separated from our friends "BYLH OF X THOUSAND FLOW CHES." by disease, we learn how to appreciate their kiml offices. Occasionally a friend, comes in to my room--and 'tis like the 'shadow of a great rock in a weary land, a river of water in a desc t place 1

At any rate, I'm getting better, and when I get more so, Ill go where I've got friends. Real genuine article-none of your patent concerns, full of humbug.

It's a fact-last night, we had patent India rubber beef steak for supper .-That is, I mean to say-I reckon it was. It bid hold defiance to knife and teeth. Napoleon stood and surveyed St. Bernard, and in the sweep of his power. made the passage over, and then struck 'fail' from his vocabulary. If sir, he had had to undertaken a piece of paten! heef steak he would have restored the word. The manufacture seems simple. Small bits of beef, like beads, are strung npon an imba nibber centre. Twas tough beef sartain, sartainlee. "Coal is INVESTMENT iz." Politics all turn upon the coal question. Every man I look at chatters through his treth, coal.

I looked at the thermameter this m'ramg, and it said, celd, La Beile rivere!—
Yes! of yes! "The Beautiful river." The frenchman who invented such a phrase, and applied it to the Olin, was a fit subject for the chain gang. A man in tronole with a deep sigh, will exclaim! Of hero! Call mean things by mean names. The State of Olino is a negro stealer, and the Onio river a rascally pick pocket—
Last summer the river so how that ducks couldn't swim in some places, and now its harricaded with ree. The "La Belle" in the same and the machinery is all in each to be saw, two is all to each the machinery is all in each the too be easily since in the house of the case, and the subject mode of the case which as the same, by the potential of the machinery is all in each this program. In the last summer the river so how that ducks couldn't swim in some places, and now its harricaded with ree. The "La Belle" it is also be a few to the same to be a few to be same to be a few to be such that the last supply a rive with the river of the ing, and it said, cold, La Belle rivere! its harriended with ree. The "La Belle Revere" is prepared for a splen listeh e geupon the haits as soon as the iver ri mestore s s. The steamhost men met the other day, and declared war upon the unnouth of Licking' and the jey horders of Concinnati. They will begin their attack today. The proposition is to cut away the icc near the boats. There will be a

grand smash up when the river rises. The coal panic has somewhat subside. ed owing to the arrangem int of the city by which the article is furnished at 25 GREAT BARGAINS there is not a man of the party in ludi- cents per bushel in quantities no greater than 25 bushels to any one individu-

> author of the History (?) of Napoleon, that appeared in Harpers Magazine, de livered a lecture on the "Pilgrans" last week. He said that New England settled the West and built up Cocinnati .-Whereupon, certain persons who knew hetter, charged Mr. Abbot with giving his imagination too free a range on historical matters. There are only about Yankees don't do everything. Virginia up Cincinnati. Dr might delivered a beture before the Medical profession in

The lecture was listened to with profound attention for full two hours. Dr. Locke was the inventor of the Telegraphic clock, and his reputation as a man of science is world wide. The lecture will be published.

The next State Fair Heara will be held here. Speak for rooms six months in advance. Have you seen Harpers new weekly? It is large enough for a month-list:

Mind will remit the amount less the liberal commission in the Publisher, will be allowed a Promium of PIETY BOLLARS' with a bounds, selected from the following. ly, but the matter it contains will not a Woice to America, Symmetricans 8 vo. compare with the magazine. Its editorials exhibit no great marks of talent.—
However, it is quite a realiable paper and contains some very interesting articies. More anon

Yours respectfully II. A. M. Henderson. ----
